DEVELOPING A STRATEGIC VISION PROJECT BACKGROUND MATERIAL SUMMARY SHEET

1. Title

Sooke Electoral Area Advisory Forum—Final Report

2. Location:

Arnie

3. Year Published:

1997

4. Brief Summary:

A summary of a forum held at Edward Milne Community School December 6, 1997. The forum identified group priorities as chosen by the participants. Issues were identified for Sooke, East Sooke, Otter/Shirley areas. The issues were then developed and discussed by two groups—obstacles were identified and recommendations were put forth to address the various issues. Just under 100 community members participated and their response to each issue was broken down well.

It is an interesting look at the issues of the time, but not a very in depth look at any issue.

Well documented survey; results broken down by local area. Don't know if anything developed out of this work.

6. Categories Covered:
